April 2026

Board-Certified Emergency Medicine Physician with almost 18 years of active clinical practice. Clinical experience includes trauma centers, academic institutions, community settings, freestanding EDs and rural hospitals. Assistant Director of Litigation Support, and initial SWAT case reviewer for TeamHealth, the largest national physician staffing agency in the country. Experienced teacher. Fellowship trained by the Academy of Wilderness Medicine (FAWM) on subjects such as hypothermia, drowning, frostbite, heat stroke, altitude illness, and bites from venomous animals. Currently a candidate for a Diploma in Dive & Marine Medicine (DiDMM) with a further focus on dive injuries such as decompression sickness a.k.a. "the bends." Co-inventor of a novel endotracheal device (RSI Prime, LLC; patent pending) that incorporates an adapted carbon dioxide detector with a modified bougie (an adjunct for difficult airways). Experienced expert witness at both deposition and trial.

PROFESSIONAL EXPERIENCE

Associate Physician
Independently evaluates undifferentiated emergency presentations, applies evidence-based standards of care, supervises clinical teams, and makes diagnostic, treatment, and disposition decisions. Includes significant experience in both the main campus Emergency Department and the Freestanding Emergency Departments in all three hospital systems.

HCA Florida Orange Park Hospital, *Orange Park, FL* — 2012-present
Level 2 trauma center

HCA Florida Capital Hospital, *Tallahassee, FL* — 2012-present

HCA Florida Memorial Hospital, *Jacksonville, FL* — 2011-present

MEDICOLEGAL EXPERIENCE

Assistant Director for Litigation Support – TeamHealth — 2026-present
Provides strategic and operational leadership for the SWAT program at the largest physician staffing agency in the country, supervising all SWAT reviewers and overseeing onboarding and retention. Establishes quality standards and review processes to ensure timely, high-quality SWAT reports that support case triage, settlement strategy, and trial readiness.
